  (to) cow's milk, relieved by wet nursing 589
  weeds, poisonous, in Kansas 597
American Cancer Society: service program 273
American College of Surgeons issue (regional meeting):
  barium peritonitis 426
  esophagitis, bile: Roux-en-y procedure for 421
  parotid gland: surgical management of tumors 415
  polyposis, diffuse, familial: case report 429
  superior mesenteric artery syndrome: simplified surgical approach 416
  tic douloureux: management by neurolysis 410
American Medical Association: report on actions of house of delegates 87, 478
Anemia: a symptom not a disease 55
Anesthesiology department at KUMC 98
Angina pectoris versus chest wall pain 9
Arteriography, renal: role in evaluation of hypertensive patients (thesis) 372
Auenbrugger, Leopold, and "the inventum novum" 30
Auto-antibodies, thyroid, in hospital patients 263
Barium peritonitis 426
Bell, Simeon B. (a biography) 177
Bezoar, dandelion green, following antrectomy and vagotomy 303
Biology of human immunoglobulins 104
Blood, diseases of:
  anemia: a symptom not a disease 55
  hemolytic diseases of newborn 108
  leukemia and lymphoma: epidemiologic study in three midwestern states 361
  purpura, thrombocytopenic, due to Pronestyl® 20
Cancer (*see* Tumors)
Cancer Society, American: service program 273
Cardiovascular system:
  blood: leukemia and lymphoma, epidemiologic study in three midwestern states 361
  heart:
    angina pectoris versus chest wall pain 9
    failure in first year of life (cpc) 191
    hypertension: role of renal arteriography in evaluation (thesis) 372
    myocardial infarction: heart proteins, including enzymes in serum 545
    myocardial perforation by pacemaker catheter 309
    progressive cardiac decompensation (cpc) 328
Clinical pathological conferences:
  cardiac decompensation 328
  heart failure in first year of life 191
  sudden death during parturition with amniotic fluid emboli 513
Congenital anomalies:
  gallbladder and cystic duct, absence of 12
  thyroid, absence of upper pole 491
Cosmetic surgery 128
Cow's milk allergy relieved by wet nursing 589
Creative process in psychiatry in private clinic: assumptions and rationale in retrospect 26

Cysts (*see* Tumors)
Dandelion green bezoar following antrectomy and vagototomy 303
Declaration of Helsinki 608
Dental consultant, your 21
Diverticulosis and diverticultis of sigmoid colon 537
Drug reactions:
  death following administration of Triamterene® 454
  thrombocytopenic purpura due to Pronestyl® 20
Dysproteinemias: new concepts of molecular pathology 72
Electrosleep therapy 81
Endocrine glands:
  thyroid:
    auto-antibodies in hospital patients 263
    board: its functions 46
    congenital absence of upper pole 491
    disease: trends 50
  parathyroid: hypercalcemia in malignancy simulating hyperparathyroidism 305
Esophagus: rupture following thalamotomy 101
Fertility: immunological aspects 465
Gallbladder and cystic duct: congenital absence 12
Gas-liquid chromatographic studies of 17-ketosteroids; their clinical usefulness 540
Gastrointestinal system:
  biliary tract and liver:
    congenital absence of gallbladder and cystic duct 12
    liver biopsy in community hospital 580
    under the biliary tree: cystic duct stump 583
  colon:
    diverticulosis and diverticulitis 538
    dysentery: institutional outbreak of *Shigella sonnei*; treatment with nalidixic acid 359
  esophagus:
    Roux-en-y procedure for bile esophagitis 421
    rupture following thalamotomy 101
  small intestine: pseudomembranous (staphylococcal) enterocolitis 595
  stomach:
    bezoar, dandelion green, following antrectomy and vagotomy 303
    Roux-en-y procedure for bile esophagitis 421
  superior mesenteric artery syndrome: simplified surgical approach 416
General hospital: group-oriented, comprehensive psychiatric care center 22
Genitourinary system:
  kidneys: renal tubular necrosis with acute idiopathic rhabdomyolysis 115
  prostate: review of 1,200 operations 14
Glomus jugulare tumors 65
Hand, radiation injury to 447
Heart (*see* Cardiovascular system)
Helsinki, Declaration of 608
Hemolytic disease of newborn 108
Hertzler Clinic issues (January and February):
  anemia 55
  angina pectoris versus chest wall pain 9
  Auenbrugger, Leopold, and "the inventum novum" 30
  carcinoma of larynx 58
  congenital absence of gallbladder and cystic duct 12
  dental consultant, your 21
  electrosleep therapy 81
  glomus jugulare tumors 65
  group-oriented, comprehensive psychiatric care in general hospital 22
  intensive milieu therapy 79
  lipoid pneumonia 77
  medical gynecology, review of 16
  neurofibrosarcoma, massive, of anterior abdominal wall 61
  newer concepts of molecular pathology in dysproteinemias 72
  prostate surgery: review of 1,200 operations 14
  psychiatry in a private clinic 26
  radioisotopes in small hospital 2
  thrombocytopenic purpura due to Pronestyl® 20
  thyroid board: its functions 46
  thyroid disease: trends in 50
History of Medicine:
  an account of the University of Kansas School of Medicine 275, 317, 366, 432, 459, 497, 548, 602
